Court Appointed Special Advocates
FOR CHILDREN

TULSA CASA, INC.

ANNUAL REPORT 2019

Dear Friends,

2019 was an exciting year for Tulsa CASA filled with many “firsts” and record breaking advocacy! We continue to be in awe of the generosity and support from our community over the past 35 years. Our gratitude is only equal to our passion to provide every abused and neglected child in state custody an advocate to speak for their best interest in court.

Last year Tulsa CASA not only introduced a new Executive Director, we introduced new community events, new trainings for our advocates, new technology for volunteers to confidentially share information about their CASA child, and new community partnerships. In 2019 we recruited and trained more volunteers than ever in our agency’s history. Most importantly however, we advocated for more children in our community than ever before! Our passionate and dedicated volunteers spoke for the best interest of 448 abused and neglected children in state custody in 2019.

Despite our record breaking advocacy, there are still more than 850 children in Tulsa County who could benefit from having a CASA on their case. Want to learn more about this incredible volunteer opportunity? Join us at one of our “Lunch & Learn” events; call the Tulsa CASA office at 918.584.2272 or visit www.tulsacasa.org for more information or to RSVP.

On behalf of the Board of Directors, the staff, our advocates, and the children we serve: thank you for your continued support of our mission as we work together to change a child’s story.

All the best,

Elizabeth Fisher
